Do you get excited just thinking about the summer games? The opening ceremony to the 2016 Olympics airs Friday, August 5 on NBC. The games run through August 21 in Rio.

A record number of countries are participating in a record number of sports. More than 10,500 athletes from 206 National Olympic

Committees, including first time entrants Kosovo and South Sudan, are scheduled to take part. With 306 sets of medals, the games will feature 28 Olympic sports — including rugby sevens and golf, which were added by the International Olympic Committee in 2009. These sporting events will take place at 33 venues in the host city and at 5 venues in the cities of São Paulo, Belo Horizonte, Salvador, Brasília, and Manaus. Rio is the first South American city to host the Summer Olympics.

NVC customers can also keep up with the Olympics through Watch TV Everywhere. WTVE is a FREE service that allows you to view your favorite TV programming on devices other than a TV – such as a tablet, laptop or PC with an Internet signal.
