## NVC SUPPLIES FREE GIGABIT WIFI TO NEW LIBRARY

NVC pledged an in-kind donation of free Gigabit WiFi fed by a fiber optic Gigabit internet connection. The size of the connection will ensure that everyone who uses the Wi-Fi will have more than enough speed or bandwidth. The Gigabit WiFi network includes multiple access points that are strategically located throughout the complex to provide optimal signal and coverage to everyone in the library that wants wireless internet access.

"While the Alexander Mitchell Library Foundation sought financial gifts to reach their \$2.1 million pledge to the city, gifts of this nature from NVC perfectly aligned

with our campaign slogan of Beyond Books: Providing Access for All. This in-kind donation not only saved the city money, but greatly enhances the capacity of our new library. We are grateful to NVC for their time, talent, expertise and incredibly speedy WiFi," said Library Director, Shirley Arment.

Library patrons will be able to log on to the NVC Gigabit WiFi while in the facility on their own personal device.

"Partnering with the library is a great fit for NVC. Technology, reading and research, all go hand in hand. We firmly believe a community that has access to these things is a community of growth," said NVC CEO, James Groat.

## EMPLOYEES CLEAN UP DITCHES

As part of our Go Green efforts, NVC/JVT employees adopted a two mile stretch of Highway 12 cleaning ditches (from Bath corner to the west). Some of our employees and their families were back at it again last month picking up trash and making a difference!

## HUMANE SOCIETY DONATION

In honor of National Dog Day we asked people to post a dog selfie on Facebook. For every picture posted, we donated \$5 to the Aberdeen Area Humane Society, maxing out at our goal of \$300.

We also chose one winner of a \$50 Target gift card. April Sudbeck won the gift card. Sudbeck is pictured with NVC employee Brittany Cooper. Also pictured are Humane Society employee Meghan and NVC employee Jody Sandvig.

## BACK TO SCHOOL SUPPLIES TO LOCAL SCHOOLS

NVC/JVT staff wear t-shirts for a cause every Fridays. Each month a different cause is chosen and participating employees pay to wear the corresponding t-shirt. All money raised supports the monthly cause.

In August we collected school supplies from our customers and employees to distribute to local

schools. Pictured below are NVC employees Tyler Herman and Heather Elsen as they presented the supplies in Redfield. Visit our Facebook page to see more pictures of the schools and kids.

All those that donated were entered to win a \$100 Target gift card. Congratulations to Eunice McColister! Thank you to all who donated! McColister is also pictured below.

A vertical photograph showing a close-up of a person's hand holding a smartphone. The background is a warm, golden light, possibly from a sunset or sunrise.

# UNLIMITED DATA

## GRAND GIVEAWAY

Congratulations to Bob and Nancy Kadoun who won a Samsung Galaxy Tab A and 3 months of free internet in our Grand Giveaway!

Watch your newsletter to see winners. Maybe the next one will be you!

Wondering how to register? No problem, because there's no purchase or registration, just winners! Each month we will randomly select one of our "grand" residential customers to win.

Bob and Nancy are pictured with employee Brittany Cooper.

## TECH HOME

If you've been enjoying computer security from SecureIT, you're going to love the upgrade to Tech Home.

On September 1st, all SecureIT and SecureIT+ customers were upgraded to Tech Home Protect and Protect Plus. If you haven't seen it yet, be sure to check your email for the upgrade instructions!

Both services include web security

and anti-virus, a password management tool, file backup (50GB for Protect and 250GB for Protect Plus), firewall protection, parental controls, virus removals and 24/7 support.

Protect covers 1 computer and 1 mobile device. Protect Plus covers 4 devices total.

If you would like to know more about these great services call us today!

### Protect

- Covers one (1) desktop & one (1) mobile device
- Web security, ransomware protection & bloatware removal
- Anti-theft for your phone or tablet
- Keep your memories and files safe
- Convenient password manager

**\$5.00/mo.**

### Protect Plus

- Covers four (4) devices (desktop & mobile)
- Web security, ransomware protection & bloatware removal
- Anti-theft for your phone or tablet
- Keep your memories and files safe
- Convenient password manager

**\$10.00/mo.**

Only  
**\$29.95**  
/month for  
6 months

**ADD HIGH SPEED  
INTERNET FROM  
NVC NOW!**

## TV UPDATES

NVC recently launched a new and improved TV service!

As the industry continues to change, we are committed to providing you, our members, with exceptional products at a very competitive price.

Our interactive guide has been updated and improved, along with our DVR capabilities. You can now get Cloud DVR on all TVs. Start watching a recorded program in one room and resume watching it in another! You also can record up to 10 shows at one time. All of this for only \$17/month.

As your recordings are saved to the "cloud" and not your set top box, you never have to worry about losing them! You will have 250GB of storage and can upgrade in \$5 increments.

Also, Cloud DVR customers will receive HD service on all TVs at no additional cost! If you are an HD only customer you can still do that for only \$11/month and get HD on all your TVs!

While we understand that learning how to use a new product is not always fun, we are confident that the quality and improvements in our TV product will be well worth it. Most of the TV features will continue to work as they have in the past with several enhancements like Restart TV.

Restart TV gives you the ability to restart a program that is already in progress. If you are browsing channels and find a show you wanted to watch that has already begun, restart it and watch from the beginning. Restart Channels are highlighted by the green and white Restart icon in the Program Guide.

The new guide and Cloud DVR is just one way that NVC is committed to delivering the best service to our members. Please call us to talk about upgrading your current system.
