NVC GIVES BACK

The JVT and NVC offices are participating with Cell Phones for Soldiers as their only local drop sites for cell phone recycling.

Cell Phones For Soldiers is a national nonprofit organization dedicated to providing cost-free communication services and emergency funding to active-duty military members and veterans.

Donate your used cell phones (working or not) and we will ship them to CPFS, who will recycle or refurbish the phones. Your donation helps deliver calling cards to connect military members with their loved ones!

We recently used our T-shirt for a Cause funds to purchase gas cards, Christmas wish list gifts and daily essential items for the residents at Safe Harbor. Executive Director Gina Karst is pictured accepting the items from CSR Brittany Cooper.

We're proud to support an organization that provides for others in crisis situations.

NATIONAL DO-NOT-CALL REGISTRY

The federal government created the National Do-Not-Call Registry to make it easier and more efficient for you to stop getting most telemarketing sales calls you don't want. You can register online at www.donotcall.gov, if you have an active email address; or you can call toll free 1-888-382-1222 (TTY 1-866-290-4236) from the number you wish to register.

Registration is free and will not expire. Your phone number, when

placed on the Do-Not-Call Registry, will remain there permanently. If you would like to remove your number from this list, you must call 1-888-382-1222 from the number you wish to delete. If you receive telemarketing calls after you have registered your telephone number and it has been on the registry for three months, you can file a complaint at www.donotcall.gov or by calling 1-888-382-1222 (TTY 1-866-290-4236). You will have to know the company's name or phone number to file a "do-not-call" complaint.
