## GET OUR ENEWSLETTER

Getting the newsletter in your mailbox is great, but why not get it in your inbox!

**Sign up for NVC's monthly eNewsletter at [NVC.net](http://NVC.net).**

## FOLLOW US ON SOCIAL MEDIA

Stay in touch with NVC, check us out on Facebook and Twitter!

## NVC GIVES BACK

The JVT and NVC offices are participating with Cell Phones for Soldiers as their only local drop sites for cell phone recycling.

Cell Phones For Soldiers is a national nonprofit organization dedicated to providing cost-free communication services and emergency funding to active-duty military members and veterans.

Donate your used cell phones (working or not) and we will ship them to CPFS, who will recycle or refurbish the phones. Your donation helps deliver calling cards to connect military members with their loved ones!

In December we participated in Operation Christmas Wish. One family was selected from the nominations we received and asked to complete a Christmas "wish

list." We then purchased, wrapped and delivered the presents to the family.

Thanks to Farmers Insurance- Tiffany Paul Agency for organizing this awesome event and letting us join in on the fun! Sales Representative Brent Hanson is pictured below with the gifts before delivery.

## REFER A FRIEND

Looking for some easy money? Just refer a friend to NVC and you get a \$100 credit on your next bill!

Your friend will get their first month free

and you get the \$100 credit. Make sure to tell them to give your name.

That's \$100 you have to spend somewhere else. So get out there and tell your friends about NVC!

## GRAND GIVEAWAY

Congratulations to Roger and Joann Weifenbach, who won \$300 cash in our Grand Giveaway!

Wondering how to register? No problem, because there's no purchase or registration, just winners! Each month we will randomly select one of our "grand" residential customers to win. Maybe our next winner will be you!

## BEST APPS FOR 2020

Start the new year off right and check out some of the best apps for your smartphone. A few of these apps have been around for a while, but they keep updating them and making them better.

Google Pay allows you to add many different card types as well as reward cards. Google Pay uses a virtual card number that is different from the actual card number to keep your information safe. If you have a Samsung phone, Samsung Pay is a great option also.

Google Find My Device comes in handy in the case of theft or loss of your device. You can access it from a laptop or desktop, so you don't need your phone to find your phone! You can also lock a phone or erase any data remotely if it's been stolen.

For students, CamScanner is a valuable app to use to your phone's camera to scan documents. You can auto-crop scanned photos and save results to the system in PDF/JPEG format and add notes or tags to any document.

TickTick is a to-do list app that covers the basics like recurring tasks, reminders, push notifications, various organizational features, and categories, all while letting you share tasks and categories with other people.

Google Maps recently updated and has a new tab called "For You." This new feature acts like a newsfeed which presents you with recommended places to go and allows you to follow certain locations.

Upcoming updates to Google Maps include music streaming and assistant integration and Google Lens and Street View. Adding Google Lens allows you to identify various street signs and landmarks, which would then be linked to Maps and Street View.

This is a great opportunity to say goodbye to some of the old Android apps that you don't really use anymore and enjoy the ones that are most useful.

# UNLIMITED DATA

Only  
**\$89.95**  
/ month

 **NVC** here for life

## BASKETBALL CLASSICS ON TV

Watch for High School Basketball Classics coming in January on NVC's Special Events Channels.

Watch our Facebook page and newsletter for more details on the games.

Go to [nvc.net](http://nvc.net) to sign up for the newsletter, and to find us on Facebook go to [facebook.com/nvcinternet](https://facebook.com/nvcinternet).

## NATIONAL DO-NOT-CALL REGISTRY

The federal government created the National Do-Not-Call Registry to make it easier and more efficient for you to stop getting most telemarketing sales calls you don't want. You can register online at [www.donotcall.gov](http://www.donotcall.gov), if you have an active email address; or you can call toll free 1-888-382-1222 (TTY 1-866-290-4236) from the number you wish to register.

Registration is free and will not expire. Your phone number, when

placed on the Do-Not-Call Registry, will remain there permanently. If you would like to remove your number from this list, you must call 1-888-382-1222 from the number you wish to delete. If you receive telemarketing calls after you have registered your telephone number and it has been on the registry for three months, you can file a complaint at [www.donotcall.gov](http://www.donotcall.gov) or by calling 1-888-382-1222 (TTY 1-866-290-4236). You will have to know the company's name or phone number to file a "do-not-call" complaint.

## Manage your DVR with the Manage My TV App

Call us for details.

# Internet Customers enjoy a FREE online Aberdeen News Subscription
