NVC AWARDED CONNECT SOUTH DAKOTA AND CARES ACT FUNDS

NVC was recently awarded one of 14 broadband projects to better connect underserved and unserved communities in South Dakota. NVC will also be allocated federal CARES (Coronavirus Aid, Relief, and Economic Security) Act funds for another project.

In 2019, South Dakota legislators approved \$5 million in matching funds for broadband improvement, creating Governor Kristi Noem's Connect South Dakota program. Earlier this year, legislators approved another \$5 million to continue broadband upgrades in South Dakota. Funding is strictly for capital expenditures of building out the network, and the program does not intend to overbuild areas that are currently being served by 100/20 broadband.

NVC was awarded close to \$1 million in funds received from the Connect South Dakota broadband initiative. The funds will be used in the rural Mina area covering over 250 homes. The project will be completed by June 2021.

NVC was also awarded close to \$1.5 million in CARES Act funds for rural Redfield. That project will cover 400 homes. Work has started and will be completed by December of 2020.

"Bringing fiber optic broadband to underserved areas is part of our overall mission, and it's something we feel is vital to the communities we serve," said NVC CEO James Groft. "Internet speed is even more important this year for business, school, personal connection and life in general."

SLEEP IN HEAVENLY PEACE

NVC Sales and Marketing Manager Jeff Evenson and Sanford RN - Infection Preventionist Brady Carda are the co-presidents of the Aberdeen chapter of Sleep in Heavenly Peace. SHP is a volunteer organization that builds beds for kids who are sleeping on the floor. Child bedlessness is a national problem, and as a national nonprofit, SHP has provided the solution.

SHP was started in 2012 and now has over 200 Chapters in cities throughout the United States. South Dakota now has six chapters with Aberdeen being the newest one. Since starting the Aberdeen Chapter, 22 children have received beds and are no longer sleeping on the floor.

If you'd like to volunteer, donate or sponsor a build day check out their website at www.shpbeds.org/chapter/sd-aberdeen. You can also check out the Aberdeen Chapter's Facebook page to see about needs and upcoming builds.
