LOCAL PARADES

We were happy to be able to participate in a few local parades in our communities this fall. Groton, Northwestern, and Redfield are pictured.

SLEEP IN HEAVENLY PEACE BUILD

The Aberdeen Chapter of Sleep in Heavenly Peace had their first build in September, and we were excited to purchase the lumber to assist.

Pictured are NVC Outside Plant Manager and SHP core team member, Pat Schumacher, and NVC Sales and Marketing Manager and SHP Co-President, Jeff Evenson.

We are very proud of the work they do to get kids off the floor in our area.

APPS FOR FALL

Fall often means football, baking, yard work, and pumpkin spice flavored everything. Below are a few apps that can help you stay in the fall state of mind.

If you enjoy looking forward to Thanksgiving or Christmas, then Dreamdays Countdown may be just the app for you. You can customize a countdown for any event with a background and voice memo as well as order dates by importance.

Unfortunately, fall weather is often unpredictable. To follow any possible storms there are many weather apps. Weather Underground, Weather Channel, and AccuWeather are just a few if you don't already have one.

Maybe you enjoy trying new recipes each fall. Cooking apps abound! Kitchen Stories is a fun app with

some unique features. Users can activate "cooking mode" to be guided effortlessly through recipes, step-by-step. Yummly and Tasty are other apps to check out for cooking ideas. Pinterest is also a great place to not only search and save recipes but get inspiration on so many other topics.

It wouldn't be fall without football, would it? Even though it's changed so much this year, you can still enjoy the season. ESPN, NFL Network and CBS all have their own football apps. You can also set up your own team with the NFL Fantasy Football app.

All these apps can be found in the Play Store on your phone.

While you're preparing for the upcoming season, don't forget about your technology and use it to help you get the most out of fall.

FALL PREMIERES

More and more TV shows are announcing their fall returns, and we are excited! Set your DVR and be ready to enjoy this fall!

Don't forget Restart TV, which can be a lifesaver. Restart TV gives you the ability to restart a program that is already in progress. If you are browsing channels and find a show you wanted to watch that has already begun, press the green button while in the guide and watch from the beginning.
