## NVC SUPPORTS LOCAL SCHOOLS

One of the benefits of doing business with NVC is that we provide support to your local school districts through a variety of sponsorships and donations, and through the payment of gross receipts taxes.

Each year we pay gross receipts taxes on all of the revenue that the company collects. These taxes are then distributed to the school districts in each of the counties where the revenue was generated.

In 2020, NVC paid \$457,038.80 in 2019 gross receipts to twelve school districts. When making decisions about your telecommunications purchases, take into consideration whether the company is a local entity such as NVC who provides monetary support each year to the

schools in its service area, or whether it is in fact a national or regional company who does not provide such tax payouts.

## HAPPY THANKSGIVING!

Our offices will be closed Thursday, November 26 and Friday, November 27 so that we can enjoy the Thanksgiving holiday.

We hope you are able to do the same!

## GRAND GIVEAWAY

Congratulations to Tara Englund, who won a \$200 grocery gift card in our Grand Giveaway! Tara and her daughter are pictured.

Wondering how to register? No problem, because there's no purchase or registration, just winners! Each month we will randomly select one of our "grand" residential customers to win. Maybe our next winner will be you!

## SALVATION ARMY FOOD PANTRY

The Aberdeen Salvation Army food pantry was running low last month, so employees Barb Stugelmayer (left) and Brent Hanson (right) took a trip to the store to help restock their shelves.

## NVC POWER OF HOPE RADIOTHON TOTALS

Thank you to all who helped by donating and/or volunteering at the NVC Power of Hope Radiothon for Children's Miracle Network.

Aberdeen and the surrounding areas stepped up yet again and raised \$54,717.76 with 100% of the money staying here in South Dakota to help local sick kids and their families.

We're so thankful and proud to be a part of this community. Your generosity helps make miracles happen!
