EMPLOYEE SPOTLIGHT

A Pollock native, Brent Hanson has been a Sales Representative with NVC since 2017. After graduating as Salutatorian, he attended NSU and graduated with a degree in marketing and management.

Both of his daughters, Ava (9) and Vayda (6), like playing at the park with their friends and watching videos on YouTube and TikTok. While watching NSU basketball this season, Ava found a passion for basketball and says she is going to dunk like Parker Fox.

Brent has remained loyal to NSU and is a member of the NSU Royal Order of the Gyps.

He is also a Diplomat with the Aberdeen Area Chamber of Commerce and enjoys networking and getting to know local businesspeople.

A random fact about Brent is that he fouled out of every basketball game his senior year!

Thank you for all your hard work at NVC and in the Aberdeen community, Brent. And for being such a good sport when it comes to taking pictures!

NVC RECEIVES UNITED WAY AWARD

NVC was recently presented a “Give from the Heart” award from the United Way.

The award is given to businesses that step up to contribute to social issues

in the community. It’s our pleasure to partner with the United Way and give back!

MANDATORY 10-DIGIT DIALING AS OF OCTOBER 2021

Everyone in South Dakota will soon have to dial local numbers using 10 digits – the area code and the seven-digit phone number.

The Federal Communications Commission (FCC) has adopted 988 as a new three-digit number to be used nationwide to reach the National Suicide Prevention and Mental Health Crisis Lifeline.

In order for 988 to work in the 605 area code, 10-digit local dialing must first be implemented. To complete local calls, all customers in the

605 area code will need to dial the area code followed by the seven digit telephone number. Adopting 10-digit dialing will be mandatory in October of 2021.

This will affect both landlines and cell phones. If you have programmed seven-digit phone numbers into speed dial functions or cellphone contact lists, you will need to reprogram those as 10-digit numbers in order to make a phone call after that point.

You can visit <https://www.fcc.gov/suicide-prevention-hotline> for more information.
