JANET HOSCHIED CELEBRATES 25 YEARS WITH JVT/NVC

Congratulations to Janet Hoscheid, who was recently recognized for 25 years of service to JVT/NVC in our billing department!

Janet has seen many advancements over the years. When she started, monthly billings were generated manually by writing down usage and account information and stuffing each bill by hand. Thankfully, all of that is now done electronically! Janet is sure there will be more changes to come and she looks forward to those as well as continuing to help customers with their billing questions.

Janet and her husband Pete now live in Aberdeen after raising their girls in Groton. CEO James Groft is pictured presenting her plaque. Thank you, Janet!
