LOCAL PARADES

We were happy to be able to participate in a few local parades in our communities this fall. Frederick, Groton, and Redfield are pictured.

APPS FOR FALL

Fall often means football, baking, yard work, and pumpkin spice flavored everything. Below are a few apps that can help you stay in the fall state of mind.

Dreamdays

365

If you enjoy looking forward to Thanksgiving or Christmas, then Dreamdays Countdown may be just the app for you. You

can customize a countdown for any event with a background and voice memo as well as order dates by importance.

Unfortunately, fall weather is often unpredictable. To follow any possible storms there are many weather apps. Weather Underground, Weather Channel, and AccuWeather are just a few if you don't already have one.

Maybe you enjoy trying new recipes each fall. Cooking apps abound!

Kitchen Stories is a fun app with some unique features. Users can activate "cooking mode"

to be guided effortlessly through recipes, step-by-step. Yummly and Tasty are other apps to check out for cooking ideas. Pinterest is also a great place to not only search and save recipes but get inspiration on so many other topics.

It wouldn't be fall without football, would it? ESPN, NFL Network and CBS all have their own football apps. You can also set up your own team with the NFL Fantasy Football app.

All these apps can be found in the Play Store on your phone.

GRAND GIVEAWAY

Congratulations to Amanda Rawden who won a \$100 Netflix gift card and a \$100 credit on her account in our Grand Giveaway! A picture of Amanda was not available.

Wondering how to register? No problem, because there's no

purchase or registration, just winners! Each month we will randomly select one of our "grand" residential customers to win. Maybe our next winner will be you!

REFER A FRIEND

Looking for some easy money? Just refer a friend to NVC and you get a \$100 credit on your next bill!

Your friend will get a \$100 credit, and so will you! Just be sure to tell

them to give us your name as the referrer.

That's \$100 you have to spend somewhere else. So get out there and tell your friends about NVC!

A vertical advertisement for NVC. The top half features a background image of a person's hands holding a smartphone, with a warm, golden light effect. The text "UNLIMITED DATA for a family of 4" is prominently displayed in white. A yellow circular badge contains the text "just \$50/phone". At the bottom, a dark grey box with a yellow border contains the text "Visit NVC.net". The NVC logo and tagline "here for life" are at the very bottom.

HUMANE SOCIETY SPONSORED PET

Eight-year-old pit-mix, Bowser, was our Aberdeen Area Humane Society sponsored pet for September.

Because Bowser was adopted before the end of the month, we will donate \$250 to the AAHS. Watch our Facebook page for our next sponsored pet!

If you're interested in adopting a pet, call the AAHS at 226-1200 to schedule a time to visit.

STATE HS EVENTS TV COVERAGE

State Soccer Championships Saturday, October 16

- SDPB1 PBS ch 3 & Special Events ch 151

All State Cheer & Dance Championships Thursday-Friday, October 22-23

- SDPB2 World ch 160 & Special Events ch 151

All State Chorus & Orchestra Saturday, October 30

- Special Events ch 151

Check our Facebook page for more information as dates get closer.

GET CLOUD DVR FOR PEACE OF MIND

Fall is in full swing, which means prime time TV programming is on even if you're not home. Luckily, you can get DVR service from NVC and not worry about missing a show. Just set your DVR and be assured it's there whenever you're ready! With Cloud DVR, you can record and watch up to 10 shows at one time.

Add the MyTVs app, and you can manage your DVR remotely at no additional charge.

All TV customers can use Restart TV, which can be a lifesaver. Restart TV gives you the ability to restart a program that is already in progress. If you are browsing channels and find a show you wanted to watch that has already begun, press the green button while in the guide and watch from the beginning.

Call us today to add TV, Cloud DVR or the Manage TVs app!
