## National Do-Not-Call Registry

The federal government created the National Do-Not-Call Registry to make it easier and more efficient for you to stop getting most telemarketing sales calls you don't want. You can register online at [www.donotcall.gov](http://www.donotcall.gov), if you have an active email address; or you can call toll-free 1-888-382-1222 (TTY 1-866-290-4236) from the number you wish to register.

Registration is free and will not expire. Your phone number, when placed on the Do-Not-Call Registry, will remain there permanently. If you would like

to remove your number from this list, you must call 1-888-382-1222 from the number you wish to delete.

If you receive telemarketing calls after you have registered your telephone number and it has been on the registry for 31 days, you can file a complaint at [www.donotcall.gov](http://www.donotcall.gov) or by calling 1-888-382-1222 (TTY 1-866-290-4236). You will have to know the company's name or phone number to file a "do-not-call" complaint.
