

National Night Out

We were so excited to provide five kids' bikes and helmets to the Aberdeen Police Department for National Night Out again this year. The bikes were given away at the event Tuesday, August 5, at Melgaard Park.

National Night Out is an annual event that helps build important relationships between first responders and the communities they serve.

Pictured left to right: Officer Olson, Sales Representative Brent Hanson, Sergeant Law, Customer Service Representative Kristi Kriech, and Sergeant Majeske.

We enjoyed having the bikes in the office for a few rides ourselves. Thank you APD for organizing this event for our community!

Streaming Tips

If you haven't been able to attend any of our "Streaming TV Made Easy" presentations that's ok. You can still catch the presentation at the Brown County Fair at 11 am Friday, August, 15 in the Competitive Exhibits Building.

Our website also offers information on streaming. Visit nvc.net/residential/streaming for all the basics.

If you aren't sure which streaming service is best for you visit mybundle.tv. You simply answer questions about your preferences and get recommendations for streaming services that match your needs and budget emailed to you.

You will also need to look at your bandwidth and make sure your household has what it needs. We

have a bandwidth calculator on our website that can help.

Don't forget the device you need to be able to stream. You might have a streaming device and not even know it. Many Smart TVs are streaming devices that can play almost all streaming services. If you don't have a Smart TV, you will need a streaming device such as a Roku or Firestick. You can watch most streaming services on your phone or computer as well.

We will post any additional streaming training on our Facebook page and here in our newsletter. Otherwise, give us a call with any questions.
